## IMSA MEMO #09-08

To: All American Le Mans Series Entrants

From: Scot E Elkins, VP Technical Operations

Date: 16 March 2009

Re: ALMS Pit Lane Data Distribution System Update

---

All Timing and Scoring Data during ALMS sessions will be distributed via a pit lane network which can be accessed at purpose-built data distribution boxes which will be mounted on the pit wall facing the team pit boxes. These data distribution boxes are called MGBs, and will usually be placed at the edge of every other pit box. Each MGB contains a managed network switch where teams may plug in a network cable. Teams must supply their own network cable.

To access the IMSA Information Systems network, teams will need to purchase a router from IMSA for a charge of \$75. No other method of accessing data from the MGB will be permitted. Teams are free to build their own network within their pit box on the team-side of the IMSA router.

The default settings for this router:

LAN IP Address: 192.168.0.1

Subnet Mask: 255.255.255.0

DHCP Enabled

IP Pool Starting Address: 192.168.0.100

IP Pool Ending Address: 192.168.0.199

Lease Time: One Week

WAN: Static IP in the 192.168.13.0/255.255.255.0

If you would like the LAN setting changed to be compatible with your existing pit cart setup the follow information will be needed:

IP Address: \_\_\_\_\_ (IP Scheme  
192.168.13.0/255.255.255.0 may not be used)

Subnet Mask: \_\_\_\_\_

DHCP Server:  Yes  No

IP Pool Starting Address: \_\_\_\_\_

IP Pool Ending Address: \_\_\_\_\_

Lease Time: (Half hour, One hour, Two hours, Half day, One Day, Two Days, One week, Two weeks, Forever)

# IMSA ALMS Team Router Payment Form

Team Name: \_\_\_\_\_

Contact Person: \_\_\_\_\_

Phone: \_\_\_\_\_

Email: \_\_\_\_\_

Number of routers ordered: \_\_\_\_\_

Payment:

- Bank check enclosed (please make check out to IMSA)
- Visa
- MasterCard
- American Express

Credit Card No. \_\_\_\_\_  
(Please omit spaces)

Expiration Date: \_\_\_\_\_

Verification Code: \_\_\_\_\_ (For Visa or MasterCard, this is the last 3 digits in the signature block. For American Express it is the four digits on the front of the card above the card number.)

Billing Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Cardholder's Name \_\_\_\_\_

Return this form along with router setup form to:

IMSA Information Systems (3<sup>rd</sup> Floor of the Tower behind Pit Lane)
