Re: Petit Le Mans Parking Regulations

Due to the overwhelming growth of the Petit Le Mans weekend, competitor parking will be very limited. No parking will be allowed in the ALMS / IMSA Lites competitor paddock except for Saturday, September 26th. Beginning Monday, September 21st through Friday, September 25th the annual white parking passes may be used to park in the competitor parking lot on the right side of the driveway as you enter the main paddock toward turn one. Each ALMS team will also receive two infield parking passes which will allow parking in any general admission area where space is available in the infield. The infield parking pass cannot be used in the competitor parking lot or in reserved parking areas. Additional infield parking passes will be available on a limited basis for \$40.00 each from Road Atlanta Registration.

Each team has a delivery pass to be used from Monday, September 21st through Friday, September 25th that will allow a vehicle to enter the main paddock. This delivery pass is **NOT** a parking pass and will have a 15 minute limit. **There will be NO exceptions.** Any vehicle parked in the main paddock will be towed at the Drivers' expense.

All other parking for competitors will be FREE at the Lanier Speedway across Hwy. 53 from Road Atlanta. Shuttle service will be provided from Lanier Speedway to Road Atlanta and back.

Shuttle hours:

Tuesday	6:00 am - 7:00 pm
Wednesday	6:00 am - 7:00 pm
Thursday	6:00 am - 10:00 pm (later if needed)
Friday	6:00 am - 9:00 pm
Saturday	6:00 am - 10:00 pm (later if needed)

Shuttle Stops:

Competitors without a credential must go to registration prior to parking at the Lanier National Speedway, only competitors with proper credentials will be allowed on the shuttle into the support paddock.

IMSA and SCCA annual parking passes will NOT be honored in the support paddock for this event. Each Support Series car entered for this event will receive 1 support paddock parking pass from their Series Registrar.

Reminder: ALL Transporters **MUST** vacate the support paddock and IMSA Lites **MUST** vacate the main paddock on Friday afternoon, September 25, 2009 if not racing on Saturday, September 26th
