IMSA COMPETITION BULLETIN # ALMS 09-02

To: All American Le Mans Series Entrants
From: Scot E Elkins, VP Technical Operations
Date: 26 February 2009
Re: Engine Sealing Procedure

In regards to Article 7.4.3 of the 2009 ACO Sporting Regulations, IMSA will define the number and/or use of engines in the supplementary regulations for each event. As the SR for the Sebring event has been previously published, the definitions for this event are as follows:

Engine use for the 57th Annual Mobil 1 12 Hours of Sebring presented by Fresh from Florida, will not be restricted. Seals will not be used.
