Re: White Flag

---

Please note the following change to the IMSA CODE:

### 6.1.4 WHITE FLAG

- a. **IMSA may display a white flag to indicate the last lap.** In addition, depending on the series, the starter may also indicate the last lap by displaying one finger and / or the last lap may be announced over the radio.
  
- b. The display of a stationary white flag anywhere on the circuit denotes an ambulance, fire truck, wrecker or other service vehicle is on the circuit, or a slow-moving race car is ahead.
