## IMSA COMPETITION BULLETIN #09-24

To: All American Le Mans Series Entrants

From: Scot E Elkins, VP Technical Operations

Date: 14 September 2009

Re: Class Adjustments

---

In accordance with Attachment 2 of the American Le Mans Series SSR, the following adjustments are made to the indicated cars:

**“LM” P1:**

1. Judd/AIM 5.5L engines must compete with the current two (2) air restrictors according to 2009 ACO regulations. IMSA Competition Bulletin 09-23 (paragraph 1 only) has been rescinded.
