IMSA COMPETITION BULLETIN #09-25

To: All American Le Mans Series Entrants

From: Scot E Elkins, Vice President, Operations

Date: 24 September 2009

Re: Authorized Fuels Update

In accordance with 32.6.1 of the ALMS SSR the following fuel is approved for use for the remainder of the 2009 ALMS season. Use of this fuel will result in the car running the event unclassified. The car shall not compete in qualifying and shall start the race from the rear of the field. No points or prize monies shall be awarded.

- Butanol: BP Bio Butanol
