

## Round 11

Matt Downs did all he could to gain points on Joel Feinberg winning round 11 at Mosport International Raceway Saturday afternoon. Lucas Downs started on pole and led the first four laps of the 30-minute race. Ontario racer Kyle Marcelli was second when he and Lucas made contact handing the lead over to Matt.

The contact between Marcelli and Lucas moved Marcelli back several positions. A full course caution came out a lap later for Gary Gibson. The caution bunched the field back up, giving Marcelli the break he needed. When the race got underway again Marcelli made a brilliant drive through the field finishing second overall.

Lucas Downs finished third, followed by championship points leader Joel Feinberg and Jon Brownson.

John Weisberg won his fifth Lites Two race of the season.
