

We're Looking for Volunteers!

Ever wanted to be down front at the Winner's Circle for either the Patrón GT3 Challenge by Yokohama or the Cooper Tires Prototype Lites Championship? Hand out trophies to the drivers? Or be involved in autograph sessions for either of the series, helping with set up and tear down? Well, now is your chance!

We're looking for people who want to come to the races and work hard for these two series. Although you will be expected to work, assisting as required, being a volunteer includes admission the entire event, allowing you to watch races from other series, and access to the IMSA hospitality area where you can eat with the IMSA field staff and safety crew.

If you're interested or just want more information, contact Pam Gratiot at volunteers@imsaracing.net.
